

# Tucson Wildlife Center

Rescue | Rehab | Release

## Licensed Wildlife Rehabilitator

The Licensed Wildlife Rehabilitator will collaborate with the medical team and Rehabilitation Team to care for approximately 5000 animals/year. This role involves overseeing and assisting managers, and staff across the wildlife areas of rescue, admission and release.

### Requirements:

- Certified Wildlife Rehabilitator (CWR) from the IWRC and NWRA, or a minimum of one year of full-time employment at a busy rehabilitation center with experience rehabilitating a wide variety of species.
- Vet Tech or advanced NWRA training in medical treatments and a basic IWRC certificate.
- Experience supervising staff.
- Ability to get a State and Federal wildlife Rehabilitator License within four months of employment.
- Chemical Capture certification is a plus.
- Must be at least 18 years of age and a high school graduate or have a GED.
- Willingness to become rabies vaccinated if not already.
- Strong verbal communication and customer service skills.
- Excellent time management skills.
